Our exciting new Garden Range

Or Build your Own Extension

January 2022

Build your Own Extension

Many of our clients are going the Build It Yourself route

We have an extensive range of stock available to let you build your own veranda or pergola, bringing the new Indoors ...Outdoors.

We have put together a package of "How to" tools which includes an Installation Video on our website www.collinsplastics.com/roof-sheeting/

Our website also includes

1. A full price list of materials in both 10mm and 16mm Polycarbonate Roofing systems
2. Images of a recent installations
3. Details of all accessories required for any successful installation

Please use the enclosed material price list to choose your items, email that to info@collinsplastics.com and we will be very happy to provide you with a written quotation.

Alternatively you can make an enquiry through the link on our website <https://collinsplastics.com/roof-sheeting/>

All prices quoted
include VAT
